SANITIZER STATIONS

Double Hand Sanitizer Station

When students return to school, easy-access to hand sanitizer will be critical upon entering the building and in busy common areas of the school. This sturdy stand is ideal for static areas like building entrances. This station includes a magnetic board to post instructions and entry protocols. It is built with a sturdy metal frame that is easy to wipe down.

SAN200 • \$221.00

Wall-mounted Hand Sanitizer Dispenser

When space is not available for a stand, the wall-mounted dispenser can be installed on any wall surface. This wall-mounted hand sanitizer dispenser includes a child lock out safety feature that when lowered, is a drip tray, and one no-touch automatic dispenser (with power adapter).

SAN003 • \$152.00

Single Student Hand Sanitizer Station - Base Model

When students return to school, easy-access to hand sanitizer will be critical upon entering the building and in busy common areas of the school. This more affordable base model provides the basics for a single hand sanitizing station for places where students enter the school, or in the classroom. This cart includes signage wire to post instructions and entry protocols, child lock out safety feature and one Stubby Tubby to catch messy drips. It is built with sturdy metal tubing that is easy to wipe down and the 3" casters make this cart easy to move anywhere in a school.

SAN101 • \$199.00

**INCLUDES
A MAGNETIC
BOARD TO POST
INSTRUCTIONS**

Single Student Hand Sanitizer Station - Premium Model

When students return to school, easy-access to hand sanitizer will be critical upon entering the building and in busy common areas of the school. This compact cart can be placed anywhere students enter the school, or in the classroom. This cart includes a magnetic board to post instructions and entry protocols, child lock out safety feature, one Stubby Tubby to catch messy drips, a paper towel dispenser and one Small Open Tub with a lid to store extra supplies. It is built with sturdy metal tubing that is easy to wipe down and the 3" casters make this cart easy to move anywhere in a school.

SAN100 • \$289.00

CLEANING SUPPLIES

MANIPULATIVE CLEANING TUB KIT

When students return, shared manipulatives like Lego, tan gram shapes, counters, etc. will need a fast and easy way to be cleaned every day. This simple but useful tub kit includes two of our durable Large Open Tubs and a new mesh-bottomed tub for a complete washing and drying set. Our tubs have been tested with Caviwipes (medical grade disinfection wipes) and bleach diluted to 2:10.

SAN-TUB1 • \$58.00
